1. General information

In accordance with Article 7 of the EMA, a licence will be granted to e-money institutions that ensure, inter alia, sound and prudent management (see Article 7(1)(c) of the EMA in conjunction with Article 3(1)(i) of the Liechtenstein E-Money Ordinance of 12 April 2011 [*E-Geldverordnung, EGV*]).

The Financial Market Authority Liechtenstein (hereinafter referred to as the “FMA”) will conduct an assessment to determine whether the Board of Directors and Executive Board members are of good repute and possess appropriate knowledge and experience to perform e-money services (“fit and proper assessment”), which involves evaluating individuals as well as the Board of Directors and Executive Board as a whole.

The FMA must be informed of any change affecting the requirement for obtaining a licence such as the information required for the purpose of conducting the fit and proper assessment. The necessary evaluations must be provided promptly to the FMA, i.e. before any new members of the Board of Directors or Executive Board take up office.

An assessment must also be conducted to determine whether any other (optional) key office holders, such as Heads of Internal Audit or Risk Managers who are not Executive Board members, are fit and proper persons.

2. Procedure and assessment

[FMA Communication 2013/07](#) applies mutatis mutandis to assessing the proper conduct of business by members of Boards of Directors and Executive Boards of e-money institutions.

The form “[Assessment of the suitability of members of the management body and key function holders](#)”, which applies mutatis mutandis, should be used to submit the documents required for assessment purposes.
